Passing the California Professional Fiduciary Licensing Examination is mandatory for licensure as a professional fiduciary in the State of California. The purpose of the examination is to protect consumers by identifying professional fiduciaries that are competent to assume and maintain the responsibilities of managing professional fiduciary services.

The licensing agency is the Professional Fiduciaries Bureau (Bureau) within the California Department of Consumer Affairs (Department). All questions regarding licensing should be directed to:

EXAMINATION INFORMATION

The two-hour examination is designed to gauge your understanding of the responsibilities of serving as a professional fiduciary in California .

PASSING THE EXAMINATION

The passing score is based upon minimally acceptable competence criteria that represents the skills required for entry-level practice. The passing score is established by CGC. Passing the examination is required before licensure.

After taking the examination, CGC and the Bureau will notify you of your pass or fail status via email. Once you pass the examination and fulfill all requirements of the Licensing Application Package, the Bureau will notify you of your approval for licensure. You may also retrieve your examination results from the CGC website by using the examination results number issued to you by CGC.

Upon approval and receipt of the licensing fee, the Bureau will issue you a license as a California Professional Fiduciary. When you pass the examination, CGC will certify you as a National Certified Guardian..

APPLYING FOR THE EXAMINATION

To take the examination you must follow these three steps:

First, submit a Licensing Application Package to the Bureau for a determination of eligibility to sit for the examination. To receive a Licensing Application Package, visit the Bureau's website at www.fiduciary.ca.gov, or contact the Bureau directly at (916) 574-7340. Once approved to take the examination, the Bureau will issue you an examination eligibility number.

Once eligible, submit an Examination Application to CGC. You may access the online application from the CGC website at <http://www.guardianshipcert.org/> and submit it along with the application fee directly to CGC. The application process with CGC will require you to go through a background check to verify your identity and educational background, as well as check that no felonies are on your record. You will be eligible for twelve (12) months to take and pass the examination once you have received approval from CGC.

Finally, contact PSI to schedule the examination. You will need your examination eligibility number to complete this process.

PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling PSI ahead of time. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SPECIAL ACCOMMODATIONS

CGC is responsible for the determination and approval of all special accommodation requests.

If you have a physical or mental impairment that substantially limits a major life activity you may be eligible for special accommodations in the testing process to assure that the tests accurately reflect your competency in the required knowledge areas. "Major life activities" include walking, seeing, hearing, speaking, breathing, learning, working, caring for oneself, and performing manual tasks.

If you require special accommodations, you must submit a completed Special Accommodations Request Form to CGC for approval. You may obtain the form off the CGC website at <http://www.guardianshipcert.org/> or by contacting CGC via email at certification@guardianshipcert.org to request one. This form requires you to describe the nature of your disability and its limitations related to the examination, the type of accommodation or modification requested, and supporting documentation. The supporting documentation must bear the name, professional title, original signature, license number and telephone number of your physician, medical authority or other qualified professional.

PSI is fully compliant with the Americans with Disabilities Act and provides reasonable accommodations for candidates whose request for special accommodations has been granted by CGC. Reasonable accommodations are those that do not fundamentally alter the examination or results. Any auxiliary aids and services provided must be approved by CGC. Scheduling services are available for the hearing-impaired via PSI's Telecommunications Device for the Deaf (TDD) by calling (800) 735-2929.

REPORTING TO EXAMINATION SITE

On the day of the examination, you must arrive at least thirty (30) minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT THE EXAMINATION SITE

You must provide one of the following valid forms of government-issued identification before taking the examination:

1. An unexpired State issued driver’s license;
2. An unexpired State Department of Motor Vehicles Identification Card;
3. A current U.S. military-issued identification card;
4. An unexpired passport; or
5. An unexpired U.S. Government-issued passport card.

All photographs must be recognizable as the person to whom the identification card was issued. The name on the application must match the photographic I.D. card.

Failure to provide the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in. The thumb print must be matched after candidates return from a restroom break and any time the candidate leaves and returns to the test site after check-in.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets or hoods. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination. If the layered item is removed during the examination, you will be required to store it in the lobby while time continues to count down on your examination. Outerwear (coats, heavy jackets, vests, shawls, scarves, etc.) is not allowed in the testing rooms.
3. There are timing mechanisms available in the testing room and on the computer console to help candidates keep track of time during the test administration. Candidates are not permitted to bring watches or other timekeeping devices into the testing rooms.
4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when leaving and returning to the testing room. If a candidate’s restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence. The regulatory entity will investigate and take appropriate action.
5. The following is a non-exhaustive list of personal items that are not permitted in the testing rooms:

Purses	Briefcases/daypacks/luggage

Examination proctors will have considerable discretion to refuse permission of clothing and/or items that compromise the integrity or security of the examination.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates must return these items to their vehicle or other place of safekeeping. Neither PSI nor the Department of Consumer Affairs will be responsible for the items. Any candidate possessing prohibited items in the testing room will have his or her examination results invalidated, and PSI will notify the appropriate regulatory entity of the occurrence.

7. Copying any portion of the examination content by any means, or communicating examination content for the purpose of aiding its unauthorized reproduction, whether before, during, or after the examination, is a violation of PSI security policy and existing law. Either one may result in the disqualification or invalidation of examination results, the denial of your license, and may result in criminal prosecution.
8. If a candidate is asked by a proctor to step into the lobby during your examination, the proctor will suspend the candidate’s examination, so all remaining test time will be retained.

Only candidates, and those individuals with prior regulatory entity approval, are allowed to be present in the testing sites.

If candidates require that an exception be made to ANY of the abovementioned security procedures, candidates must contact their regulatory entity PRIOR to the date of their examination.
